**STAFF REPORT: University of Washington Wallace Hall – 3737 Brooklyn Avenue NE**

### Staff Recommendation

Staff does not recommend nomination of University of Washington Wallace Hall at 3737 Brooklyn Avenue NE as it does not appear to meet any of the designation standards.

*The Landmarks Board Coordinator acknowledges the possible cultural history associated with the university but believes this may not be embodied in the building itself. The Coordinator recognizes the modern Brutalist design but does not believe it rises to the level of a landmark. The subject building is by a notable Seattle architect Ibsen Nelsen, but it does not appear to be an outstanding work. This assessment was informed by a site visit and thorough review of the property in 2019.*

### Approval of Nomination

If approved, a public meeting would be set for 30-60 days from nomination to consider the designation. During this time, the Board and staff may amend the nomination form. From the time of nomination, Subchapter VI of SMC 25.12 shall apply. This section requires a Certificate of Approval for alterations or significant changes to the features proposed for preservation. Following Board approval of the nomination (or designation) the owner may give written notice of a desire to confer and consult with the Board and Board staff to reach agreement on specific features to be preserved and methods to achieve such preservation. A timetable is established by Board, Board staff and the Owner. This written request by the Owner is the only procedure which may alter the time requirements or the public meeting on designation.

### Disapproval of Nomination

If the Board fails to approve the nomination, no new proceeding may be commenced for a period of 5 years without the written agreement of the Owner.

### Deferral of Consideration

The Board may defer consideration. Adequate notice should be given to all parties about when the matter is to be reconsidered. Once nominated, the Board must follow the procedures of SMC 25.12 and approve or disapprove the designation.
